WHY LIST WITH US

A cleaner way to attract retreat bookings.

RetreatVenues is built for hosts who want visibility without giving up control of their pricing, contracts, or client relationship.

01

Be found by the right organizers

Your venue appears in a dedicated search platform used by retreat leaders looking for spaces by country, capacity, style, and experience.

02

Keep every booking direct

Inquiries go directly to you. You manage availability, contracts, payment terms, and confirmed bookings in the way that works for your venue.

03

We help create the listing

After checkout, you share your venue details and the RetreatVenues team prepares your listing so it looks consistent, complete, and ready to publish.

HOW IT WORKS

Three steps, then your venue is live.

The page needs to remove the confusion around accounts and dashboards. The new message is simple: choose a plan, send venue details, get published.

1

Choose your listing package

Select Basic, Premium, or Premium + Website depending on the visibility and support you need.

2

Send your venue details

After payment, you receive a simple form to share your photos, capacity, pricing, location, amenities, and contact details.

3

We publish your listing

The team creates the listing, checks the content, and emails you when it is live so organizers can start contacting you directly.

WHAT IS INCLUDED

Everything a retreat host needs to be discovered.

The section can replace the long current list with tighter, more scannable blocks.

Done-for-you setup

We turn your submitted details into a structured venue page with photos, capacity, amenities, and inquiry options.

Flexible listing information

Show starting price, exact pricing, availability notes, minimum stay, or simply let organizers contact you.

Direct communication

Organizers contact your venue directly, so the relationship stays with you from first inquiry to final booking.

Review visibility

Bring external reviews into the listing experience to help organizers trust your venue faster.

Marketing reach

Premium venues can benefit from social, blog, and recommendation visibility across the RetreatVenues ecosystem.

No booking commission

Pay a fixed yearly listing fee and keep 100% of the revenue from every retreat you confirm.

FAQ

Questions venue hosts usually ask.

Do you take a commission on bookings?

No. RetreatVenues charges a fixed yearly listing fee. You keep your booking revenue and manage payment directly with the organizer.

How fast will my listing be published?

Premium listings are published within 24 hours after complete venue details are received. Basic listings are published during the monthly listing schedule.

Do I need to manage a complicated account?

The page should communicate the simplified workflow clearly: you submit your information, the team prepares the listing, and changes can be requested when needed.

Who will contact my venue?

Retreat organizers and retreat leaders looking for venues by destination, group size, retreat type, amenities, and budget.

Ready to bring more retreat organizers to your venue?

Choose your listing plan, share your venue details, and let RetreatVenues prepare a professional listing for you.
